Saint-Denis city puts the school year under citizen control

An SMS to allow replacement of teachers

Paris, Washington DC, 06.10.2016, 18:54 Time

USPA NEWS - During the school year 2014, nearly 500 children had no teacher in the classroom the first day of school. Thanks to the efforts of all, the return in 2015 was much better place. But non-replacements are then multiplied throughout the year.

During the school year 2014, nearly 500 children had no teacher in the classroom the first day of school. Thanks to the efforts of all, the return in 2015 was much better place. But non-replacements are then multiplied throughout the year.

"In 2016, the entire school year we put under citizen control.-----

Parents, politicians, teachers, Dionysian, together account for the need for substitute teachers. A trained teacher is required in every classroom throughout the year.-----

After the summer and during the entire school year, a free SMS notification service is set up to allow us to accurately account for substitute teachers needs. Elected officials, parents, teachers, Dionysian will, every teacher of non-replacement, send an SMS to 32321 (free service, no surcharge), using the following model: "Not replaced - Name of the school - Class concerned

The mobilization of all is essential for educational conditions to which our children are entitled.-----

Children and young people are a wealth of Saint-Denis, the youngest city in France. They deserve a quality public service to help them grow and thrive. This is why we choose to devote 50% of the municipal budget for Children and Youth. Source: Language Press
